

# 2026 NA4SA NATIONAL CONFERENCE

Marriott Pittsburgh Airport  
Pittsburgh, PA  
December 4 to 6, 2026

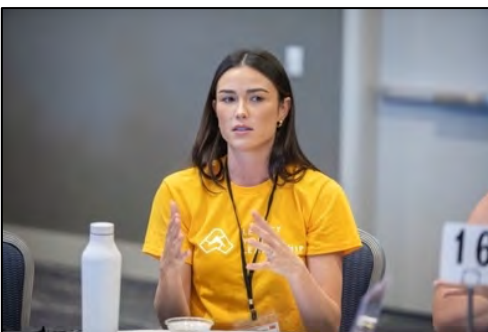

## TABLE TALKS

Each year at the NA4SA National Conference, we provide attendees the opportunity to actively participate in **Table Talks (roundtable) Sessions**, a series of quick (15-20 minute) and intimate small group (8-10 people) rotations which feature idea sharing and discussion on a variety of best practices, innovations, and relevant topics that are presented by fellow attendees and which relate to one of the focus areas listed below:

- Camps, Leadership Workshops, Retreats, & Conferences
- Tips for Being a Successful Activities Advisor
- Leadership Classes, Lessons, & Resources
- Best Activity, Service Project, Recognition Idea, or Fundraiser
- Creating a Positive School Culture & Climate

Tables for presentations related to each theme will be in the same area of the meeting room to allow participants to easily move among tables within their area of interest. The option to move to a table in another interest area will also be possible. Valuable resources to take home that can be shared with others within their school, state, or other community organizations will be provided by each Table Talks Presenter – the idea is to provide valuable things you can take home and use right away to make a positive difference! Presenters will be asked to prepare copies of a one-page handout with contact information to share with those attending their sessions.

Once again, we will have **TWO SESSIONS** of Table Talks at this year's NA4SA National Conference, providing our attendees with multiple opportunities to engage their colleagues in these valuable discussions. The second session will be smaller, with a particular focus on advisor resources. However, this means that we'll need close to **FORTY Table Talks Presenters** to step up and share great ideas while facilitating discussion on a variety of topics! Therefore, we encourage **EVERYONE** who will be joining us in Pittsburgh this December to consider applying to present a Table Talk! Because there will be two sessions, all Table Talks Presenters will have the opportunity to attend other Table Talks in the session they are not scheduled to be a presenter for.
